'Dupe' has become a buzzword in 2024. It is a replica or affordable alternative to a popular (often luxury) item, but not quite a 'fake'. In the world of beauty, fashion, and even home decor, 'dupe culture' has become a movement. It's a tention against the arbitrary price lags that luxury brands slap on their

UNDERSTAND THEIR EXPECTATIONS AND BEHAVIOR: Companies need to dive into what is considered normal behavior for Generation Z and understand their expectations, so they can better cater to their needs as future customers and employees.

CREATE A FUTURE-ORIENTED WORK ENVIRONMENT: Companies must recognize that they often train people for jobs of the past instead of the future. It's crucial to develop the right skills that prepare Generation Z for the future job market.

IMMERSE YOURSELF IN THEIR WORLD: To build a connection with Generation Z, companies need to immerse themselves in their world and culture, rather than alienating themselves from them.
